

Amendment to the Rules of Casino Table Games

Pursuant to section 367 of the Gambling Act 2003, the following amendment has been made to the Rules of Casino Table Games.

Division 5 - Baccarat

1. The Contents Section is amended by inserting after “Section 11 End of Shoe”:
“Section 11A Perfect Pairs Wagers”.
2. Section 1 is amended by inserting the following definitions:
“**Coloured Pair**” means a pair comprised of either two red cards of different suits, or two black cards of different suits;
“**Mixed Pair**” means a pair comprised of one red card and one black card;
“**Pair**” means two cards with the same face value;
“**Perfect Pair**” means a pair comprised of cards of the same suit;
“**Perfect Pairs Wager**” means an optional, additional wager which may be made by a player in accordance with section 11A;”
3. The following section is inserted after “Section 11 End of Shoe”:
11A Perfect Pairs Wager
 - 11A.1 The casino operator may, at its discretion, offer the players the opportunity to place Perfect Pairs wagers in accordance with this section.
 - 11A.2 Where the Perfect Pairs option is offered and the game is played at a table with a layout cloth marked in a manner that clearly denotes the wagering option, any player may elect to place a Perfect Pairs wager at the time of placement of his/her initial wager as provided in rule 5.1. The Perfect Pairs wager shall be placed in the designated area of the layout which corresponds to the box in which the initial wager was placed.
 - 11A.3 The Perfect Pairs wager shall be placed before any cards in the round of play are dealt.
 - 11A.4 The amount of a Perfect Pairs wager shall be that displayed on the sign at the table indicating the wager limits applying at the table.
 - 11A.5 A Perfect Pairs wager shall win if the first two cards dealt to the player are a pair, and lose if the first two cards do not comprise a pair.

11A.6 At the completion of the initial deal, the dealer shall pay the winning and collect the losing Perfect Pairs wagers in accordance with approved procedures.

11A.7 Winning Perfect Pairs wagers shall be paid in accordance with either Pay Scale One, or Pay Scale Two, as follows:

Pay Scale One

For a mixed pair	5 to 1
For a coloured pair	10 to 1
For a perfect pair	30 to 1

Pay Scale Two

For a mixed pair	6 to 1
For a coloured pair	12 to 1
For a perfect pair	25 to 1

11A.8 The casino operator shall display which pay scale under rule 11A.7 is in operation and that pay scale shall be used for all tables that offer the Perfect Pairs option.”
