Who we are:

NZ Potters (Inc) is the national body for professional and recreational potters throughout the country. An executive council with delegates representing seven regions, conducts the business of NZ Potters.

NZ Potters aims to:

Represent New Zealand potters on a national focus.
Lobby and negotiate on issues affecting potters.
Facilitate communication between potters in New Zealand and overseas.
Promote the image of New Zealand potters.
Ensure the availability of appropriate training and education.
Arrange discussions, lectures, workshops, exhibitions, and other activities to instruct and stimulate potters and the general public.

NZ Potters operates in three key strategic areas:

1. *Membership aim:*
To provide an umbrella organisation for potters, pottery clubs and associations in New Zealand
2. *Promotion aim:*
To encourage and promote awareness and appreciation of New Zealand ceramics nationally and internationally.
3. *History aim:*
To keep historical records of New Zealand Potters, National Exhibitions, National and Regional publications and other nationally significant events

Definition: Potters are all people involved in the production of fired works produced from clay.
